

The following questionnaire is designed to provide our students with the best experience possible – meeting the specific goals of each student. We want to get to know our students who are ready to further explore their musical studies! The information provided will give us assistance to help our students reach their goals and achievements.

Please answer all questions as accurately as possible!

Student's name _____ Birthday _____

Mailing Address _____ Zipcode _____

E-mail _____

What is the instrument you are studying in lessons with us?

What are your musical interests and tastes?

Do you have a favorite band or song?

What was the last CD/MP3 song (download) purchased?

What is your musical background if any? (school concert/jazz band. Are there musicians in the family who play instruments?)

Have you ever had private music lessons?
If YES, briefly describe your experience.

Do you have instruction materials from those lessons or other useful tools for study and practice?

What are your other interests and hobbies?

How much time do you have to practice your instrument?

What are your musical ambitions?

Is music a hobby or do you see yourself as a professional musician, entertainer or music teacher in the future?

Do you see yourself studying music beyond private music lessons?

Do you know that music is a recognized field of study offered by colleges and universities with music programs that offer scholarships to deserving music students?

Is there anything more that you would like to share with us about yourself to help us direct you toward reaching your musical goals?

Thanks for taking a few moments to complete this brief survey. We are interested in assisting our students toward reaching their goals in the most efficient and enjoyable way possible. The answers provided will be used as a guide for your experience in our lesson programs!

NEVER STOP STRUMMING!
